## eElab

Artificially slow timescale detected for id 2, residue 4GLY, bond N - HN
Artificially slow timescale detected for id 4, residue 6GLY, bond N - HN
Artificially slow timescale detected for id 6, residue 8GLY, bond N - HN
Artificially slow timescale detected for id 8, residue 10ALA, bond N - HN
Artificially slow timescale detected for id 14, residue 16GLY, bond N - HN
Artificially slow timescale detected for id 16, residue 18LEU, bond N - HN
Artificially slow timescale detected for id 18, residue 20ALA, bond N - HN
